Sir,

I have the honour to acknowledge the receipt of your letter No.J. 4307/Legis. dated the 9th March 1922 and to reply as follows:-

The Committee have got the matter under their earnest consideration and will make their recommendation for additional taxation after exhausting all the means for effecting economies and retrenchments in the several departments, which in their opinion should precede and not follow the imposition of any new burdens on the people. The work of the Committee is liable to be misunderstood and prejudiced if proposals for enhanced Stamp Duties and Court Fees are passed through the Legislative Council before the necessary economies are formulated and effected

Subject:—

Amendment of the Stamp and Court Fees Regulations.

50) On an examination of the Bills introduced into the Madras Legislative Council for the enhancement of Stamp and Court Fees and for the taxation of amusements, I recorded as follows in regard to the action to be taken in Mysore to improve the revenue:-

"The question of taxing amusements may be given up as the bills in both the Madras and Bombay Legislative Councils have been withdrawn.

The Madras scale may be adopted both for the Court Fees and Stamp Regulations.

The approximate increase of revenue from both the sources may be ascertained in the Financial Department.

In the meantime permission of His Highness may be obtained so that the draft bills may be introduced at the next meeting of the Legislative Council which comes off on the 10th of April."

51) The question was considered at a meeting of the Council and it was decided that the views of the Special Finance Committee should be called for in the matter.

The Special Finance Committee stated that the matter was under their consideration and that they would make their recommendation for additional taxation after exhausting all the means for effecting economies and retrenchments in the several departments. The Judges of the Chief Court, who were consulted in regard to the enhancement of Court Fees, observed that it would be theoretically wrong to tax

litigation for general revenues, as litigation is neither a luxury nor an amusement. But it will take some time before the retrenchment proposals of the Finance Committee are examined and orders passed thereon. Even if all the proposals of the Finance Committee are carried out, recourse should be had to fresh taxation in order to balance the budget. There is no reason why in the meantime Government should lose the revenue from this source. As regards the objection of the Chief Court, revenue from litigation has been all along utilised for the general purposes of administration and in spite of this objection, the amending regulations have been passed and the Court fees and Stamp duties have been enhanced in British India

33) The matter was finally considered by the Council at their last meeting and the Council are of the following opinion:-

"Permission may be accorded to frame the necessary bills for the amendment of the Stamp and Court Fees Regulations as a measure of raising revenue and to their introduction in the Legislative Council".

34 The opinion of the Council may be graciously approved.

After submitting in person to the 2nd Member, the difficulties involved in trying to raise each item by 33⅓%, orders were obtained to readjust the rates as to conform to the available Stamp-paper in our manufactory, as far as possible. The recommendation of the Committee viz rise in income by 33⅓% has been kept in view. So far as Court-fees Regn goes the rates have been revised to ensure a 25% rise. This was possible as Court-fees is levied in adhesive Stamps also. Both the bills have been scrutinised by the Revg. Secy also. Bills are now submd. Cag

Subject :—

Draft Bills for the amendment of Stamp and Court Fees Regulations.

The existing rates of Stamp Duty and Court Fees were fixed under the Stamp and Court Fees Regulations of 1900 on the scale then obtaining in British India. The rates have lately been revised by 50 to 100 per cent in the Madras Presidency for the purpose of meeting the increased cost of administration. The Special Finance Committee, who were consulted in the matter were at first not in favour of Government resorting to measures of additional taxation before the necessary economies of expenditure were effected. But on further examination of the State finances they have recognised the need for improving the revenue of the State and have accordingly recommended that the Stamp Duty and Court Fees be raised so as to secure an increase of the revenue from these sources by $33\frac{1}{3}$ per cent and 25 per cent respectively. Draft Bills prepared on the lines of the Madras Acts V and VI of 1922, with the Schedule of rates revised in accordance with the suggestion of the Special Finance Committee as far as possible, have been approved by the Council.

His Highness' gracious sanction is solicited for placing these Bills before the Legislative Council.

Extract of Second Member's Minute in the Agenda File.

" The next meeting will come off on the 18th of December. I think we will be able to obtain the permission of the Government of India for the passing of the Bills before that date, if we write to the Residency at once explaining to them the circumstances under which we propose to suspend the rules of business and pass the bills into law. These are Revenue Bills and I do not think that the Government of India will have any amendments to propose. If they have, the Residency may be requested to communicate before the 18th of next month. Please put up a draft at once.

Final Note by the Second Member of Council.

Subject :—

PROMULGATION INTO LAW OF THE BILLS TO AMEND THE STAMP AND COURT FEES REGULATIONS.

The Bills to amend the Stamp and Court Fees Regulations were published under Rule 32 of the Rules of Business of the Legislative Council and were read in Council and referred to Select Committees at the meeting of the Legislative Council held on the 18th September 1922. With a view to bring the amending Bills into operation as early as possible the Residency was addressed to obtain the sanction of the Government of India for passing the Bills into law. The sanction of the Government of India having been obtained, the reports of the Select Committees and the Bills as amended by them were presented to the Legislative Council on the 18th December 1922.

A petition to the Council had been received suggesting that three months' time from the date of publication should be allowed for these Regulations to come into force. This was also supported by some of the Members of the Legislative Council. With the approval of the President an amendment to the effect that the Bills might come into force from the first day of February 1923 was proposed. This motion was accepted by the House and the Bills as thus amended were passed.

The gracious sanction of His Highness is now solicited for the promulgation of the Bills into law.

Secretary to the Government of
His Highness the Maharaja of Mysore,

Sir,

I have the honor to state that I believe that it is by clerical mistake that the word "out" instead of the word "in" has been inserted between the words executed" and "of Mysore" in the second line of Sub-clause (aa) of clause (1) of Section 4 of Regulation VII of 1922 as contained on page 5 of Part III of the Mysore Gazette dated 18th January 1923. If so, I reques you to be so good as to take necessary steps for the error being duly corrected immediately.

I have the honor to be,
Sir,
Your most obedient servant,
Commissioner of Stamps.

The Stamps and Court Fees Regulations were drafted in the Legislature Section. This ~~was~~ Errors, if any, in Regulations can be rectified only in the Legislative Section. This may therefore be transferred ~~to the~~ Protection Branch.

The corresponding clause in the Bill was only worded as "in Mysore". The wording in the Bill as amended by the Select Committee & The Reprint as published has, by mistake, been printed as "out of Mysore".

Submitted with a draft Erratum notice

8/9/23 8/9/23 The erratum notice can appear only in the next week's Gazette unless an Extraordinary issue is considered necessary. ~~Proviso~~ clause (bb) of the proviso makes it clear that clause (aa) must relate to documents executed in Mysore it is not clear if any doubts will be felt by the public as to the applicability of the new rates to such documents. There does not therefore appear to be any necessity to publish the notification in a Gazette extraordinary.

204. A Municipal Commissioner shall require security for the due performance of every contract into which he enters under the last preceding section, and may, in his discretion, require security for the due performance of any other contract into which he enters under the Regulation.

STATEMENT OF OBJECTS AND REASONS.

The work of Municipal Administration in the City Municipalities has been growing in volume and complexity and the present practice of appointing a full-time Chief Officer to work under the direction of the Council and President is found to be not quite adequate for the effective control of the growing work. Further, the elected President of the Municipal Councils happen to be generally busy professional men who cannot afford to look after the details of the administration It is therefore proposed to replace the Chief Officer by a full-time responsible Officer, with high powers to conduct the executive administration of the Municipality. A similar practice prevails in the Cities of Calcutta, Bombay and Madras and the introduction of the method in Mysore will not be new, and has much to commend it. Our Regulation is based on the Bombay model, and hence the provisions of the Bombay District Municipalities Amending Act of 1914 have been incorporated with slight modifications, in the present amending Bill. The object is to provide for a continuous and effective executive administration while maintaining the corporate control and activity of the Municipal Council. With certain exceptions, it is provided that the executive functions of the Municipal Council shall be performed by the officer who will be styled "Commissioner." An appeal against his orders is allowed in certain cases. He will exercise a greater degree of control over the Municipal staff than the present Chief Officer. The medium of communication between Government and the Council, will, however, be the President, who will, as usual, conduct the meetings and have access to all records. It is also proposed to fix the term of the President to one year.

Short title and extent. 1. (1) This Regulation may be called the Mysore Stamp (Amendment) Regulation.

STATEMENT OF OBJECTS AND REASONS.

The present Court Fees Regulation was introduced into the State 22 years ago and was based on the model of the Indian Court Fees Act as in force in the Madras Presidency, the scale of fees adopted being the same as in Madras. Since then by the Madras Act V of 1922, the scale of fees in the Madras Presidency, has been increased by 50 to 100 per cent to meet the increased cost of administration. The question of suitably enhancing our rates was referred to the Special Finance Committee and they have recommended a revision of the existing rates so as to secure an increase of the revenue from this source by 25 per cent. This suggestion has been adopted as far as possible in framing our Schedule of rates.

Sir,

Adverting to your letter No. J. 4336, dated the 1st March 1922, forwarding Bill No. 6 of 1922, Madras, and requesting to forward the views of the Judges of the Chief Court as to whether the amendments made therein to the Court Fee Act may be adopted in Mysore, I am directed to state that the Judges consider that it is theoretically wrong to tax litigation for general revenues. In theory, at any rate, litigation is neither a luxury nor an amusement, and those who have recourse to it should be required to pay only what is necessary to provide them with the necessary facilities and not something in addition for the purpose of general administration. Probate fees and the like stand of course upon a different footing.

I am however to add that if the Government wish to have the views of the Judges on the several items of amendment proposed in Madras they think it will be better to await the final passing of the bill there and in other Provinces of British India, and they propose if Government have no objection to reserve the expression of their opinion until the bills now introduced by local Governments in British India

Select Committee Report on t
Bill to amend the Mysore Court Fe
Regulation, 1900.

We, the undersigned/members of the Select Committee to which the Bill to amend the Mysore Court Fees Regulation, 1900, was referred, have considered the Bill and have now the honor to submit this our report

Clause 7 Mr. G. Paramasiviah urged that it would be a hardship to raise the valuation in (b) of Section 4 (v) (A) of the principal Regulation from "five " to " ten " times the assessment and suggested that it might be raised to seven and a half times. But the other members of the Committee considered that the present rate of valuation was very low and the alteration proposed in the Bill was quite equitable and would not prove a hard ship. We propose that the figure in the Bill may remain as it is.

Schedule II. Article 1. We have altered the fee for an application or petition when presented to any officer of land revenue by any person holding temporarily settled land under direct engagement with Government, from two annas to one

one anna with a view to fix a uni-
form fee in sub-division (a) of
Article 1.

For the same reason we have altered the fee in the case of an application or petition when presented to any civil court other than a principal civil court of original jurisdiction, etc., from two annas to one anna.

We have changed the fees in the case of sub-clauses (a) and (b) of clause (i) of sub-division (d) of Article 1, from five rupees and ten rupees into three rupees and five rupees respectively, as we considered the fees proposed in the Bill, the rather high.

Article 6. The addition of the words 'or any paper signed by an Advocate signifying or intimating that he is retained for a party' proposed in the Bill might be omitted as they would may give rise to misconstruction. We have therefore omitted those words.

We have also restored the proposed fee of one rupee in the case of a Vakaltnama presented in the case of sub-division (a) to the existing rate of 8 annas.

Article 11 A. We have changed the fee in the case where the plaint is presented to or the memorandum of appeal is against the decree of a

Munsiff's Court from Rs.12-8-0 to Rs.15/- and in the case of a District Court or a Sub-Court we have altered the fee of Rs.250 to Rs.200 where the value exceeds ten thousand rupees, the fee in case the value is ten thousand rupees or less being fifty rupees.

Article 11 B. We have also altered the fee for a plaint presented to or a memorandum of appeal against the decree of a Munsiff's court from twelve rupees eight annas to fifteen rupees.

Article 12. The fee in the case of applications presented to a Munsiff's court in this article is also changed to fifteen rupees.

We recommend that the Bill as amended be published in the Gazette.

Select Committee Report on the Bill to amend the Lyons Court Fees Regulation, 1960.

We, the undersigned members of the Select Committee to which the Bill to amend the Lyons Court Fees Regulation, 1960, was referred, have considered the Bill and have now the honour to submit this our report.

Clause 7. Mr. D. Jayawardena urged that it would be desirable to raise the valuation in (b) of section 4 (v) (A) of the principal Regulation from "five" to "ten" times the present and suggested that it might be raised to seven and a half times. But the other members of the Committee considered that the present rate of valuation was very low and the alteration proposed in the Bill was quite suitable and would not prove a burden. We propose that the clause in the Bill may remain as it is.

Schedule A. Article 1. We have altered the fee for an application or petition when presented to any officer of land revenue by any person holding temporarily settled land under direct arrangement with Government, from two rupees to one rupee with a view to fix a uniform fee in sub-division (a) of article 1.

For the same reason we have altered the fee in the case of an application or petition when presented to any Civil Court other than a principal Civil Court of original jurisdiction, viz. from two rupees to one rupee.

We have changed the fees in the case of sub-clauses (a) and (b) of clause (i) of sub-division (d) of Article 1, from five rupees and ten rupees into three rupees and five rupees respectively, as we also considered the fees proposed in the Bill to be rather high.

Article 6. The addition of the words "or any paper signed by an Advocate signifying or intimating that he is retained for a party" proposed in the Bill will not be omitted as the words may give rise to misconstruction. We have therefore omitted those words.

We have also restored the existing fee of one rupee in the case

AT 99

Case of a vakalatnama presented in the case of sub-division (a) to the existing rate of 8 annas.

Article 11 A. We have changed the fee in the case where the plaint is presented to, or the memorandum of appeal is ~~ext~~ against the decree of, a Munsiff's Court from Rs. 12-8-0 to Rs.15/- and in the case of a District Court or a Sub-Court we have altered the fee of Rs. 250/- to Rs.200/- where the value exceeds ten thousand rupees the fee in case the value is ten thousand rupees or less being fifty rupees.

Article 11 B. We have also altered the fee for a plaint presented to, or a memorandum of appeal against the decree of, a Munsiff's Court from twelve rupees eight annas to fifteen rupees.

Article 12. The fee in the case of applications presented to a Munsiff's Court in this article is also changed to fifteen rupees.

We recommend that the Bill as amended be published in the Gazette.

For the same reason we have altered the fee in the case of an application or petition when presented to any Civil Court other than a principal Civil Court of original jurisdiction, i.e. from five rupees to one rupee.

Article 6. The addition of the words 'or any person claiming to be interested in satisfying or intimating that he is retained by any party' proposed in the Bill might be omitted as the words may give rise to misconstruction. We have therefore omitted those words.

Article 12. The fee in the case of applications presented to a Munsiff's Court in this article is also changed to fifteen rupees.

We recommend that the Bill as amended be published in the Gazette.

Report of the Select Committee on the Bill to amend the Mysore Stamp Regulation, 1900.

We the undersigned members of the Select Committee to which the Bill to amend the Mysore Stamp Regulation, 1900 was referred, have considered the Bill and have now the honor to submit this our report.

Clauses 5 & 6.- Since the maximum duty chargeable for a counterpart or duplicate under Article 20 of Schedule I.A. is altered to Re. 1-4-0 the words "One Rupee eight annas" in these clauses are changed to "one Rupee four annas".

Schedule I-A:-

Article 5 (2) (a).- With a view to keep the proportion of duty chargeable in case of instruments evidencing agreement relating to the deposit of title deeds or pawn or pledge, when drawn singly or in set of two or in set of three so that the duties chargeable under the two latter heads may, as far as possible, be one half and one third respectively of what is charged under the first head, we have revised the rates as follows:-

"The duties chargeable under the third head ~~is~~ are ~~changed as follows~~:-

When

When the amount of loan or debt exceeds				From 2 as. to 3 as.
200	but does not exceed	400

do	1600	do	2000	" 12 " Re.1
do	2500	do	3000	" 1-8-0 " Rs. 2
do	5000	do	7500	" 2-4-0 " " 3

for every additional Rs. 10,000 or part thereof in excess of 30,000				" 3-0-0 " "

The rates under the first two heads when the amount of loan exceeds Rs. 10,000 but does not exceed Rs. 15,000 have been changed tp Rs. 18 and 9 respectively and when the amount exceeds Rs. 25,000 but does not exceed 30,000 they have been changed to Rs. 36 and Rs. 18 respectively.

Article 10.- Since the duty chargeable on a Bond where the amount secured is Rs.1000, is Rs. 7-8-0, the duty proposed in the Bill in the case of amounts in excess of Rs.1000 and up to a limit of Rs.5000 is the same as for Rs. 1000. As ~~there~~ The is not fair and as there is no necessity to have a separate rate in respect of amounts exceeding Rs. 5000 we have altered clause (b) of the Article as follows:-

(b) In any other case ... Rs. 10/-

Article 12.- We consider that in the case of amount or value secured up to Rs. 50/- the old rates may be retained. From Rs. 50 to Rs. 75 we propose a duty of 8 annas and from Rs. 75 to Rs. 100, 12 annas. The duties in the scale after Rs. 100/- and up to Rs. 1000 ~~is~~ are so altered ~~that~~ for every

step

~~step~~ in the scale there ~~is a common difference~~ of annas 12. The duty for every Rs. 500 or part thereof in excess of Rs.1000 is also reduced to Rs. three.

Article 18.- The duty chargeable on a conveyance when the value of the consideration does not exceed Rs. 50/- is changed to 8 annas which is the present rate, and for considerations of higher value up to Rs. 1000 the existing rates are enhanced by 25% at each ~~step~~.

Article 19.- The duty in the case of sub-division (ii) of this Article is changed to Re. 1-4-0 ~~under the proposed rate the duty payable in respect of an original chargeable with Rs. 1-4-0 would be Rs.1-8-0~~

Article 20.- In this article also the maximum duty is changed to Rs.1-4-0 and the limit of duty chargeable on the original fixed in sub-division (a) is also changed to Re.1-4-0

We, the undersigned members of the Select Committee to which the Bill to amend the Mysore Court Fees Regulation, 1900, was referred, have considered the Bill and have now the honor to submit this our report.

Clause 7. Mr. G. Paramasiviah urged that it would be a hardship to raise the valuation in (*b*) of Section 4 (v) (*a*) of the principal Regulation from "five" to "ten" times the assessment and suggested that it might be raised to seven and a half times. Schedule II. Article I. We have altered the fee for an application or petition when presented to any officer of Land Revenue by any person holding temporarily settled land under direct engagement with Government, from two annas to one anna with a view to fix a uniform fee in sub-division (*a*) of Article I.

We have changed the fees in the case of sub-clauses (*a*) and (*b*) of clause (*i*) of sub-division (*d*) of Article 1, from five rupees and ten rupees into three rupees and five rupees respectively, as we considered the fees proposed in the Bill to be rather high.

Article 6. The addition of the words " or any paper signed by an Advocate signifying or intimating that he is retained for a party " proposed in the Bill might be omitted as the words may give rise to misconstruction. We have therefore omitted those words.

Article 11 A. We have changed the fee in the case where the plaint is presented to, or the memorandum of appeal is against the decree of, a Munsiff's Court from Rs. 12-8-0 to Rs. 15-0-0 and in the case of a District Court or a Sub-Court we have altered the fee of Rs. 250 to Rs. 200 where the value exceeds ten thousand rupees, the fee in case the value is ten thousand rupees or less being fifty rupees.

NOTIFICATION.

No. 404—*L. C., dated* 21*st November* 1922.

Under Rule 40 of the Rules for the conduct of business of the Mysore Legislative Council, the following Report of the Select Committee on the Bill to amend the Stamp Regulation, 1900, is published for general information with the Bill as amended by them.

By Order,

J. APPAJI GOWDA,

Secretary, Mysore Legislative Council.

Report of the Select Committee on the Bill to amend the Mysore Stamp Regulation, 1900.

We the undersigned members of the Select Committee to which the Bill to amend the Mysore Stamp Regulation, 1900, was referred, have considered the Bill and have now the honor to submit this, our report.

Clauses 5 *and* 6.— Since the maximum duty chargeable for a counterpart or duplicate under Article 20 of Schedule I-A is altered to Rs. 1-4-0, the words "one rupee eight annas" in these clauses are changed to "one rupee four annas."

Schedule I-A :—

Article 5 (2)(*a*).—With a view to keep the proportion of duty chargeable in case of instruments evidencing agreement relating to the deposit of title deeds or pawn or pledge, when drawn singly or in set of two or in set of three so that the duties chargeable under the two latter heads may, as far as possible, be one-half and one-third, respectively, of what is charged under the first head, we have revised the rates as follows :—

The duties chargeable under the third head are changed as follows :—

When the amount of loan or debt exceeds Rs. 200 but does not exceed 400 from annas 2 to annas 3.

When the amount of loan or debt exceeds Rs. 1,200 but does not exceed 1,600 from annas 10 to annas 12.

When the amount of loan or debt exceeds Rs. 1,600 but does not exceed 2,500 from annas 12 to Re. 1.

When the amount of loan or debt exceeds Rs. 2,500 but does not exceed 5,000 from Re. 1-8-0 to Rs. 2.

When the amount of loan or debt exceeds Rs. 5,000 but does not exceed 7,500 from Rs. 2-4-0 to Rs. 3.

When the amount of loan or debt exceeds Rs. 7,500 but does not exceed 10,000 from Rs. 3 to Rs. 4.

When the amount of loan or debt exceeds Rs. 10,000 but does not exceed 15,000 from Rs. 5 to Rs. 6.

When the amount of loan or debt exceeds Rs. 15,000 but does not exceed 20,000 from Rs. 6 to Rs. 8.

When the amount of loan or debt exceeds Rs. 20,000 but does not exceed 25,000 from Rs. 7-8-0 to Rs. 10.

When the amount of loan or debt exceeds Rs. 25,000 but does not exceed 30,000 from Rs. 10 to Rs. 12.

For every additional Rs. 10,000 or part thereof in excess of 30,000 fromRs. 3 to Rs. 4.

The rates under the first two heads when the amount of loan exceeds Rs. 10,000, but does not exceed Rs. 15,000 have been changed to Rs. 18 and 9, respectively, and when the amount exceeds Rs. 25,000 but does not exceed Rs. 30,000 they have been changed to Rs. 36 and Rs. 18, respectively.

Article 10.—Instead of the classification introduced in clause (*b*) of the article, we have preferred to follow the old arrangement which has the merit of simplicity and we have therefore altered clause (*b*) of the article as follows :—

(*b*) In any other case, Rs. 10.

Article 12.—We consider that in the case of amount of value secured up to Rs. 50, the old rates may be retained. From Rs. 50 to Rs. 75, we propose a duty of 8 annas and from Rs. 75 to Rs. 100, 12 annas. The duties in the scale after Rs. 100 and up to Rs. 1,000 are so altered as to give at every stage in the scale an uniform increase of annas twelve. The duty for every Rs. 500 or part thereof in excess of Rs. 1,000 is also reduced to Rs. 3 from Rs. 3-8-0.

Article 18.—The duty chargeable on a conveyance when the value of the consideration does not exceed Rs. 50 is changed to 8 annas which is the present rate, and for considerations of higher value up to Rs. 1,000, the existing rates are enhanced by 25 per cent at each stage.

Article 19.—The duty proposed in part ii of the article is too high and we have reduced it to Re. 1-4-0 so as to secure only an increase of 25 per cent.

Article 20.—In this article also, the maximum duty is changed to Re. 1-4-0 and the limit of duty chargeable on the original fixed in sub-division (*a*) is also changed to Re. 1-4-0.

Article 23.—We consider that the duty for an instrument of divorce may be raised to Rs. 2.

Article 29.—We also propose a change in the duty for letters of license from Rs. 12-8-0 to Rs. 15.

Article 40.—We suggest that the duty for protest by the master of a ship be raised to Rs. 2.

Article 46.—We propose that the duty chargeable on a share warrant may be the same as that payable on a conveyance for a consideration equal to the nominal amount of the shares specified in the warrant and in the case of the exemption under this article, the duty payable as composition is proposed to be fixed at one and a quarter per centum of the subscribed capital or the additional capital issued, since the duty chargeable on a conveyance for a consideration of Rs. 100 is fixed at Re. 1-4-0.

Article 48.—We consider that the exemptions under this article must include the securities of the Government of Mysore and hence we have added the words "and of Mysore" at the end of clause (*d*) of the exemptions.

We recommend that the Bill as amended by us be published in the *Gazette*.
